LAURINA PAPERINA | ONE FOOT IN THE GRAVE

text about the solo show at Magda Danysz gallery, paris, 2008

The artistic universe of Laurina Paperina has nothing to envy to superheros ! This young italian artist play with a ton of ironical characters. As she puts it herself she "draws irony", a pure reflection of reality that makes us laugh to tears. "The subjects of the show is on celebrity, where I kill or joke about them". Laurina Paperina likes playing with art! Staging Keith Haring, Damian Hirst of Joseph Kosuth, in their own death Laurina Paperina can be so nasty we love her. Super Pape (herself in her superhero world) is our new hero ...
